MEDICINAL.

Nature should be assisted in the spring to throw off the heaviness of the sluggish winter circulation of the blood. Nothing does it so well, so prompt or so safely as Swift's Specific.

I have used S. S. S. for a number of vears, and consider it the best tonic and blood remedy that I ever used. In fact I would not attempt to enter upon a spring or summer in this climate without it.

Summer Goods at Miller's.

We have very superior articles in FLY FANS and at a very low price. You will certainly need one this summer, and before buying look at curs. No key needed to wind them up.

Also a very superior make of WATER CCOLERS and REFRIGERATORS. We sell the "ALASKA" REFRIGERATOR, which used only 12 lbs of ice to its nearest competitor's 17 lbs at the New Orleans Exposition. This is a great point when you consider how scarce and high ice is this season.

It will pay you to see these goods, as we will thoroughly recommend them and guarantee satisfaction.

We are constantly receiving NEW GLASS-WARE, the latest productions of the market, and you can find excellent substitutes for Cut-Glass in some of these patterns.
